Cultural Committee

Annual report

2019-2020

Introduction

The Cultural Committee is one of the most dedicated and innovative platforms. The main purpose is to find the inner talent and capabilities. We provide plenty of opportunities for the students with wide range of departments to choose from what we provide. We are more focused on growing and learning than any other aspects. Social/cultural activities not only help students to identify the talent but also assist students to develop themselves in a desired field and improve skills such as organizational, presentation, leadership and interpersonal communication.
