3.3.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

Rai Saheb Bhanwar Singh College has dedicated itself to the holistic development of students through various extension activities, aiming to foster academic, physical, emotional, social, and leadership skills. In the 2023-2024 academic year, the college organized numerous initiatives to address pressing social and environmental challenges. Key activities included tree planting on World Environment Day, promoting cleanliness through the Swachh Bharat Abhiyan in rural areas, and educating the community on cashless transactions. The college also celebrated Victory Day to instill patriotism and organized the Narmada Ghant Safai Abhiyan for environmental conservation along the Narmada River. A successful blood donation camp demonstrated the college's commitment to community service.

These activities had a significant impact on both students and the community, raising awareness on crucial issues like environmental protection, digital literacy, and sustainability. Students developed leadership, organizational, and communication skills while actively engaging in community welfare. The initiatives fostered a deep sense of social responsibility, encouraging students to contribute positively to society. The college's continued focus on extension activities plays a key role in preparing students to become responsible citizens, dedicated to the welfare of their communities and the environment.

Rai Saheb Bhanwar Singh College is dedicated to the holistic development of its students through various extension activities. These initiatives focus on sensitizing students to social issues, encouraging them to contribute positively to their communities, and providing them with practical learning experiences. The college aims to develop not only academic skills but also physical, emotional, social, and leadership abilities in students, preparing them to become responsible citizens. Throughout the year, the college organized multiple programs to address pressing societal challenges and encourage active participation.

Key Programs and Activities (2023-2024)

1. World Environment Day (5th June 2024):

In celebration of World Environment Day, the college organized a large-scale **tree-planting campaign**, where over **50 trees** were planted by students in the campus and surrounding areas.

2. Swachh Bharat Abhiyan (Clean India Mission):

In alignment with **Mahatma Gandhi's** vision and the national **Swachh Bharat Abhiyan**, the college organized various programs to promote cleanliness and sanitation in rural areas surrounding Nasrullaganj. Activities included:

- **Discussions and Debates:** Sessions were held to discuss the goals of the Swachh Bharat Abhiyan and the role of citizens in maintaining cleanliness.
- **Posters and Drawings:** Students created awareness materials focusing on reducing plastic use and promoting eco-friendly practices.

Additionally, the students distributed **eco-friendly alternatives** to polythene, promoting sustainable living practices in rural communities.

3. Promotion of Cashless Transactions:

In response to the government's push for a digital economy, the college organized **training sessions** in nearby village Rala to educate the community about **cashless transactions** and digital payment platforms. These sessions helped rural residents overcome misconceptions, develop digital literacy, and securely engage in online transactions, thus bridging the digital divide in the region.

4. Victory Day (29th September 2023):

In honor of the Indian Armed Forces, the college observed **Victory Day** with discussions, debates, and cultural programs. This event emphasized national unity, patriotism, and the importance of supporting the country's defense forces, helping students demonstrate their love for the nation and instilling a sense of pride in their role as citizens.

5.Narmada Ghant Safai Abhiyan: Rai Saheb Bhanwar Singh College, Nasrullaganj, undertook the **Narmada Ghant Safai Abhiyan** as a part of its commitment to environmental conservation and community engagement. The initiative aimed to promote cleanliness and sustainability along the banks of the revered Narmada River while instilling a sense of ecological responsibility among students and the local community.

6.BLOOD DONATION CAMP:

Rai Saheb Bhanwar Singh College successfully organized a **Blood Donation Camp** during the academic year 2023–24, reaffirming its commitment to community service and social responsibility. The camp aimed to address the critical need for blood in local hospitals while fostering a spirit of compassion and altruism among students and staff. The camp was organized in collaboration with local blood banks and healthcare institutions. Over 15 participants, including students, faculty, and staff, volunteered to donate blood.

Impact of Extension Activities

The extension activities had a significant impact on both the students and the community:

- **Increased Awareness:** The programs raised awareness about critical social issues such as environmental protection, digital literacy, and the harmful effects of plastic.
- **Community Engagement:** Students actively engaged with local communities, addressing issues like cleanliness, water conservation, and digital empowerment.
- **Leadership Development:** Through organizing and participating in these activities, students developed leadership, organizational, and communication skills.
- **Sustainability Practices:** Initiatives like tree planting and water conservation efforts fostered a sense of responsibility for the environment.
- **Social Responsibility:** These activities helped students develop a deep sense of social and national responsibility, preparing them to contribute to the welfare of society.
