#### 6.1.2 The Effective Leadership is Visible in Various Institutional Practices Such as Decentralization and Participative Management.

For the academic year 2023-24, Rai Saheb Bhanwar Singh College of Education demonstrated effective leadership through its practices of decentralization and participative management. These practices ensured the seamless functioning of the institution while fostering a collaborative environment for academic and administrative excellence.

Rai Saheb Bhanwar Singh College boasts of a united and efficient community of teachers serving the needs of the students both in the curricular and co-curricular activities with the view to enhance the quality of education in the institution. Keeping quality and efficiency as the prime objectives of our activities, the functioning of the College has been disseminated at various levels of operation. There are several Cells, Committees, and Houses that have been constituted and which have been functional for several years. For the academic year 2023-24 all the Committees, Cells, and Houses have the Principal as their Chairperson.

L. Malviya	Academic session 2023-24 RSB College It has contributed towards the improvement in the quality of faculty development and the teaching-learning process. It ensures quality in every activity of the college. To sustain and improve the quality, IQAC drafts policies for the overall development of the college and monitors the same. The decisions of IQAC like CCTV cameras on the campus, Advance E-library, GPS in buses along with cameras, etc. have been implemented. The decisions are taken only after considering various aspects and discussing with its members any new change introduced to enhance the quality of the persisting system. Besides good teaching-learning holistic development, the students also require maintenance and development of discipline and a sense of equality among them. One of the ways to promote equality among the students is a uniform dress code for all students. This reduces economic disparities and brings discipline among students during year 2023-24. Students contribute to its effective functioning with proper feedback and suggestions in during year 2023-24. Alumni members meet the head of the institution and the college. They also utilize the intellectual resources of our institution. Additional
